To Whom It May Concern

This is to certify that the attendance policy for add-on courses conducted by various departments at Kanchrapara College is aligned with the standards set for regular courses. The add-on courses are treated with the same rigor and seriousness as regular courses in terms of attendance. This declaration serves as an official guideline to ensure uniformity in attendance procedures and to uphold the integrity of our academic offerings. While the attendance for these add-on courses is not recorded with daily signatures, the requirements for course completion and certification are consistent with those of our regular academic courses.
