

Event Report on Blood Donation Camp

Date: 20.01.2021 **Time:** 11 a.m **Venue:** Room no 24 in Kanchrapara College

The NSS Unit of Kanchrapara College, along with IQAC and Student Unit, in collaboration with the blood bank of Kalyani Medical College, is organizing a blood donation camp. This event aims to encourage students and faculty to donate blood, helping to replenish the blood bank's supply and support patients in need. Blood donation is a noble cause, contributing to saving lives and promoting community health.. The camp began at 11.00 a.m. with a short inaugural speech by Dr. Pranab kr Bera (Principal, Kanchrapara College) and various representatives of NSS, and IQAC was given a floral welcome. Dr. Pranab kr Bera (Principal, Kanchrapara College) expressed his gratitude to all the organized departments of the college for its continuous endeavour in this regard. He also stressed on the growing need of blood in the state and commended the young volunteers for their noble act.

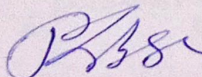

Objectives:
Raise Awareness: Educate students and faculty about the importance of blood donation.
Encourage Participation: Motivate individuals to contribute to the cause.
Support Healthcare: Help maintain an adequate blood supply for medical emergencies and procedures.

Benefits of Blood Donation:
Saving Lives: Each donation can potentially save up to three lives.
Health Benefits for Donors: Regular blood donation can improve heart health and reduce the risk of certain diseases.
Community Contribution: Enhances a sense of community and solidarity.

What to Expect:
Pre-Donation Checkup: Medical professionals will conduct a health checkup to ensure donors are fit to donate.
Donation Process: The process is safe, hygienic, and quick, typically taking about 10-15 minutes.
Post-Donation Care: Refreshments and rest areas will be provided to donors.

How to Participate:
Registration: Interested individuals can register at [Insert Registration Details].
Eligibility: Donors must meet certain health and age criteria, typically being between 18-65 years old and in good health.

Event Report on 27.02.2023 General Health Checkup Camp

Venue & Time: Room no 24 & 11 a.m

Organized by: NSS unit Kanchrapara College in association with JNM Hospital, Kalyani

Introduction: The Health Check-up Camp held at [Venue Name] on [Date] aimed to provide comprehensive health screenings and promote health awareness within the community. Organized by [Organizing Committee/Organization Name], the camp offered free medical consultations and tests to participants to detect early signs of health issues and encourage proactive healthcare. The primary objective of the camp was to offer accessible healthcare services to individuals who may not have regular access to medical facilities. The event aimed to conduct basic health screenings, provide medical advice, and educate participants on preventive healthcare measures.

Activities and Highlights:

- **Registration and Initial Assessment:** The event commenced with registration where participants provided their medical history and basic information. Initial assessments were conducted to determine the specific tests needed for each participant based on age, gender, and reported health concerns.
- **Comprehensive Health Screenings:** Qualified healthcare professionals, including doctors, nurses, and technicians, conducted comprehensive health screenings. This included measurements of vital signs (blood pressure, heart rate, etc.), blood tests (e.g., glucose levels, cholesterol), BMI calculations, and basic dental check-ups.
- **Medical Consultations:** Participants had the opportunity to consult with doctors and healthcare professionals regarding their health concerns. They received personalized advice on managing chronic conditions, improving lifestyle habits, and preventive measures.
- **Health Education Sessions:** Concurrently, educational sessions were conducted on various health topics such as nutrition, physical activity, stress management, and the importance of regular health check-ups. Participants were provided with informational pamphlets and brochures.
