### Event Report on 26.08.2019 Blood Donation Camp

**Venue & Time:** [Room no 24 & 11 a.m]

**Organized by:** NSS unit Kanchrapara College in association with Medical College , Kalyani

The blood donation camp held at Kanchrapara College on 26.08.2019 was a resounding success, with overwhelming participation from both students and faculty members. Organized by NSS unit kanchrapara college the event aimed to contribute to the noble cause of saving lives through voluntary blood donations. The primary objective of the camp was to raise awareness about the importance of voluntary blood donation and to encourage members of the college community to contribute towards this life-saving initiative.

#### Activities and Highlights:

- **Registration and Screening:** The event started with a smooth registration process where donors filled out consent forms and underwent preliminary health screenings to ensure their eligibility to donate blood.
- **Donation Process:** Qualified donors were guided to the donation area where they received attentive care from trained medical staff. The donation process was efficient, and each donor was given refreshments after donation to aid in their recovery.
- **Awareness Sessions:** Concurrent with the donation process, informational sessions were held to educate participants about blood donation, its impact on saving lives, and dispelling common myths and misconceptions.
- **Volunteer Participation:** Numerous volunteers from various student clubs and organizations actively participated in organizing and managing different aspects of the camp, ensuring its smooth operation.
- **Feedback and Support:** Participants expressed their satisfaction with the organization and management of the event. The medical team and volunteers received commendations for their professionalism and dedication.

## Event Report on 27.08.2019 Thalassemia Testing Camp

**Venue & Time:** Room no 24 & 11 a.m

**Organized by:** NSS unit Kanchrapra College in association with School of Tropical Medicine , kolkata

**Introduction:** The Thalassemia Test Camp held at Kanchrapara college on 27.08.2019 aimed to raise awareness about thalassemia and provide free screening tests to identify carriers of this genetic disorder. Organized by [Organizing Committee/Organization Name], the camp sought to contribute to early detection and management of thalassemia within the community. The primary objective of the camp was to promote thalassemia awareness, educate participants about the disorder, and facilitate early detection through free screening tests. The camp also aimed to encourage proactive measures among individuals and families at risk.

### Activities and Highlights:

- **Registration and Counseling:** The event commenced with registration where participants filled out information forms. They received counseling sessions on thalassemia, its genetic implications, and the importance of early detection.
- **Thalassemia Screening:** Qualified healthcare professionals conducted free thalassemia screening tests for participants. The screening process involved simple blood tests to identify carriers of thalassemia traits.
- **Educational Sessions:** Concurrently, informational sessions were conducted to educate attendees about thalassemia prevention, management, and available support services. Experts provided insights into the impact of thalassemia on individuals and families.
- **Distribution of Informational Material:** Pamphlets, brochures, and other informational material were distributed among participants to reinforce knowledge about thalassemia and encourage further reading and awareness.
- **Feedback and Support:** Participants expressed appreciation for the initiative and found the information provided valuable in understanding thalassemia better. They also received guidance on further steps to take if screening results indicated a need for further consultation.

## Event Report on 28.08.2019 Eye Checkup Camp

**Venue & Time:** Room no 24 & 11 a.m

**Organized by:** NSS unit Kanchrapra College in association with Aasmi Eye Foundation

**Introduction:** The Eye Testing Check-up Camp held at Kanchrapara College on 28.08.2019 aimed to promote eye health awareness and provide free eye screening services to members of the community. Organized by [Organizing Committee/Organization Name], the camp sought to detect vision problems early and educate participants about maintaining good eye health. The primary objective of the camp was to offer free eye tests to identify common vision problems such as refractive errors, presbyopia, and other eye conditions. The event also aimed to raise awareness about the importance of regular eye check-ups for maintaining good vision and overall health.

### Activities and Highlights:

- **Registration and Initial Assessment:** The event began with registration where participants provided basic information. They underwent initial assessments to determine the type of eye tests needed based on their age and reported symptoms.
- **Comprehensive Eye Examinations:** Qualified optometrists and ophthalmologists conducted comprehensive eye examinations for each participant. Tests included visual acuity tests, refraction tests, intraocular pressure measurements, and examinations for common eye diseases.
- **Prescription Glasses Distribution:** Participants diagnosed with refractive errors were provided with prescription glasses free of charge, thanks to donations and support from sponsors and organizations.
- **Educational Workshops:** Concurrently, educational workshops were held to educate participants about common eye disorders, preventive measures, and lifestyle habits that promote good eye health. Information on proper eye care and hygiene was also emphasized.
- **Feedback and Support:** Participants expressed gratitude for the opportunity to receive free eye tests and glasses. Many indicated that they were unaware of their vision problems before the camp and appreciated the educational sessions provided.

## Event Report on 29.08.2019 General Health Checkup Camp

**Venue & Time:** Room no 24 & 11 a.m

**Organized by:** NSS unit Kanchrapra College in association with JNM Hospital, Kalyani

**Introduction:** The Health Check-up Camp held at [Venue Name] on [Date] aimed to provide comprehensive health screenings and promote health awareness within the community. Organized by [Organizing Committee/Organization Name], the camp offered free medical consultations and tests to participants to detect early signs of health issues and encourage proactive healthcare. The primary objective of the camp was to offer accessible healthcare services to individuals who may not have regular access to medical facilities. The event aimed to conduct basic health screenings, provide medical advice, and educate participants on preventive healthcare measures.

### Activities and Highlights:

- **Registration and Initial Assessment:** The event commenced with registration where participants provided their medical history and basic information. Initial assessments were conducted to determine the specific tests needed for each participant based on age, gender, and reported health concerns.
- **Comprehensive Health Screenings:** Qualified healthcare professionals, including doctors, nurses, and technicians, conducted comprehensive health screenings. This included measurements of vital signs (blood pressure, heart rate, etc.), blood tests (e.g., glucose levels, cholesterol), BMI calculations, and basic dental check-ups.
- **Medical Consultations:** Participants had the opportunity to consult with doctors and healthcare professionals regarding their health concerns. They received personalized advice on managing chronic conditions, improving lifestyle habits, and preventive measures.
- **Health Education Sessions:** Concurrently, educational sessions were conducted on various health topics such as nutrition, physical activity, stress management, and the importance of regular health check-ups. Participants were provided with informational pamphlets and brochures.

## Event Report on 30.08.2019 Dengue Awareness Programme

**Venue & Time:** Room no 24 & 11 a.m

**Organized by:** NSS unit Kanchrapara College

**Introduction:** The Dengue Awareness Program conducted in [Local Area] on [Date] aimed to educate residents about dengue fever, its prevention, and control measures. Organized by [Organizing Committee/Organization Name], the program sought to raise awareness amidst rising concerns about dengue outbreaks in the community. The primary objective of the program was to inform residents about dengue fever, its symptoms, transmission, and preventive measures. The initiative aimed to empower community members with knowledge to effectively reduce breeding sites of mosquitoes and prevent dengue outbreaks.

### Activities and Highlights:

- **Distribution of Informational Materials:** Informational pamphlets, brochures, and posters detailing dengue prevention tips, symptoms, and treatment were distributed to residents. These materials served as handy references for implementing preventive measures at home and in the community.
- **Demonstrations on Mosquito Control:** Practical demonstrations were conducted on how to identify and eliminate mosquito breeding sites around homes and public areas. Participants were shown effective methods such as draining stagnant water, covering water containers, and using mosquito repellents.
- **Community Engagement Activities:** Interactive sessions were organized to engage residents in discussions about their experiences with dengue and to share best practices in mosquito control. This fostered a sense of community responsibility towards preventing dengue outbreaks.
- **Question and Answer Sessions:** Residents had the opportunity to ask questions and clarify doubts regarding dengue fever, mosquito control, and the role of community members in preventing the spread of the disease.

# Event Report: Garment Distribution Organized by NSS Unit, Kanchrapara College

Date: 2/03/2020

Venue: Kanchrapara College, Room no -24

## Introduction

The NSS Unit of Kanchrapara College organized a Garment Distribution event aimed at providing clothing to the underprivileged members of the community. The event was a part of the NSS's ongoing commitment to social service and community welfare.

**Objectives:** 1. To distribute garments to the needy. 2. To raise awareness about the importance of social responsibility. 3. To encourage student participation in community service.

**Preparations:** The event was meticulously planned and executed by the NSS volunteers under the guidance of the program officers. The preparations included:

- Collection of garments through donations from students, faculty, and local residents.
- Sorting and categorizing the collected garments based on age, gender, and size.
- Arranging transportation and logistics for the distribution.

**Event Highlights :Inauguration Ceremony:** The event commenced with an inauguration ceremony. The principal of Kanchrapara College, along with esteemed faculty members, was present to encourage the volunteers. A brief speech was delivered by the NSS Program Officer, highlighting the significance of the event and the role of NSS in fostering community welfare.

**Distribution Process:** The distribution process was organized systematically to ensure a smooth and orderly distribution. Beneficiaries were guided to different counters based on the categorization of garments. Volunteers assisted in distributing the garments, ensuring each recipient received appropriate clothing.

**Community Engagement:** Local community members were actively involved in the event, further strengthening the bond between the college and the community. Interactive sessions were conducted to raise awareness about hygiene and the importance of wearing clean clothes.

# Event Report: College Cleaning Activity Organized by NSS Unit, Kanchrapara College

**Date:** 03/03/2020

**Venue:** Kanchrapara College Campus

## Introduction

The NSS Unit of Kanchrapara College organized a College Cleaning Activity to promote cleanliness and hygiene within the college premises. This initiative aimed to create a clean and healthy environment for students, faculty, and staff.

**Objectives:** 1. To clean and beautify the college campus. 2. To raise awareness about the importance of cleanliness and hygiene. 3. To encourage active participation of students in maintaining a clean environment.

**Preparations:** The event was carefully planned by the NSS volunteers under the supervision of the program officers. Preparations included: 1. Organizing a meeting with volunteers to discuss the activity and assign specific areas of the campus for cleaning. 2. Procuring cleaning supplies such as brooms, dustpans, garbage bags, gloves, and disinfectants. 3. Coordinating with the college administration to ensure support and resources for the activity.

**Event Highlights: 1. Inauguration Ceremony:** The event began with a brief inauguration ceremony. The principal of Kanchrapara College addressed the volunteers, emphasizing the importance of maintaining a clean and healthy campus. The NSS Program Officer outlined the day's activities and the significance of the cleaning drive.

**2. Cleaning Activity:** Volunteers were divided into groups and assigned different areas of the campus, including classrooms, corridors, common areas, gardens, and the playground. Equipped with cleaning supplies, the volunteers diligently cleaned their designated areas, removing litter, sweeping, and disinfecting surfaces. Special attention was given to areas that are frequently used by students and staff.

**3. Awareness Campaign:** Alongside the cleaning activity, an awareness campaign was conducted. Posters and banners highlighting the importance of cleanliness were displayed across the campus. Volunteers interacted with students and staff, encouraging them to maintain cleanliness and avoid littering.

**3. Waste Management:** Collected waste was segregated into biodegradable and non-biodegradable categories. Proper disposal of waste was ensured, with biodegradable waste being sent for composting and non-biodegradable waste being disposed of responsibly.

# Event Report: Cleaning Activity in College Adjacent Area Organized by NSS Unit, Kanchrapara College

**Date:** 04/03/2020 **Venue:** Areas Adjacent to Kanchrapara College

## Introduction

The NSS Unit of Kanchrapara College organized a Cleaning Activity in the areas adjacent to the college. This initiative was part of the NSS's commitment to community service and aimed at improving the hygiene and cleanliness of the surrounding environment.

**Objectives:** 1. To clean and beautify the areas surrounding Kanchrapara College. 2. To raise awareness about the importance of cleanliness and hygiene in the community. 3. To engage students in community service and foster a sense of social responsibility.

**Preparations:** The event was planned and executed by the NSS volunteers under the guidance of the program officers. The preparations included: 1. Conducting a preliminary survey to identify the areas in need of cleaning. 2. Organizing a meeting with volunteers to discuss the plan of action and assign specific tasks. 3. Procuring necessary cleaning supplies such as brooms, dustpans, garbage bags, gloves, and disinfectants. 4. Coordinating with local authorities for support and ensuring proper disposal of collected waste.

**Event Highlights:** 1. **Inauguration Ceremony:** The event began with a brief inauguration ceremony at the college entrance. The principal of Kanchrapara College, along with faculty members, addressed the volunteers and highlighted the significance of maintaining cleanliness in the surrounding areas. The NSS Program Officer provided an overview of the day's activities and stressed the importance of community involvement. 2. **Cleaning Activity:** Volunteers were divided into groups and assigned different areas adjacent to the college, including nearby streets, parks, and public spaces. Equipped with cleaning supplies, the volunteers worked diligently to clean the assigned areas, picking up litter, sweeping, and removing debris. Special attention was given to areas with high foot traffic and public utility spaces. 3. **Awareness Campaign:** An awareness campaign ran alongside the cleaning activity. Posters and banners emphasizing the importance of cleanliness and environmental responsibility were displayed. Volunteers engaged with local residents and shopkeepers, encouraging them to maintain cleanliness and avoid littering. 4. **Waste Management:** Collected waste was segregated into biodegradable and non-biodegradable categories. Proper disposal of waste was ensured, with biodegradable waste being sent for composting and non-biodegradable waste being disposed of through appropriate channels.

## Event Report on Blood Donation Camp

**Date:** 20.01.2021 **Time:** 11 a.m **Venue:** Room no 24 in Kanchrapara College

The NSS Unit of Kanchrapara College, along with IQAC and Student Unit, in collaboration with the blood bank of Kalyani Medical College, is organizing a blood donation camp. This event aims to encourage students and faculty to donate blood, helping to replenish the blood bank's supply and support patients in need. Blood donation is a noble cause, contributing to saving lives and promoting community health. The camp began at 11.00 a.m. with a short inaugural speech by Dr. Pranab kr Bera (Principal, Kanchrapara College) and various representatives of NSS, and IQAC was given a floral welcome. Dr. Pranab kr Bera (Principal, Kanchrapara College) expressed his gratitude to all the organized departments of the college for its continuous endeavour in this regard. He also stressed on the growing need of blood in the state and commended the young volunteers for their noble act.

**Objectives:**  
**Raise Awareness:** Educate students and faculty about the importance of blood donation.  
**Encourage Participation:** Motivate individuals to contribute to the cause.  
**Support Healthcare:** Help maintain an adequate blood supply for medical emergencies and procedures.

**Benefits of Blood Donation:**  
**Saving Lives:** Each donation can potentially save up to three lives.  
**Health Benefits for Donors:** Regular blood donation can improve heart health and reduce the risk of certain diseases.  
**Community Contribution:** Enhances a sense of community and solidarity.

**What to Expect:**  
**Pre-Donation Checkup:** Medical professionals will conduct a health checkup to ensure donors are fit to donate.  
**Donation Process:** The process is safe, hygienic, and quick, typically taking about 10-15 minutes.  
**Post-Donation Care:** Refreshments and rest areas will be provided to donors.

**How to Participate:**  
**Registration:** Interested individuals can register at [Insert Registration Details].  
**Eligibility:** Donors must meet certain health and age criteria, typically being between 18-65 years old and in good health.

**Event Report On COVID-19 Vaccination Programme**

**Date: 28.12.2021 Time : 11 a.m Vennue Room no 24 Kanchrapara College**

The COVID-19 vaccination programme organized by the NSS (National Service Scheme) unit of Kanchrapara College is likely a community-driven initiative aimed at increasing vaccination rates among students, staff, and possibly the local community. Such programmes typically involve coordination with Naihati State General Hospital setting up vaccination drives on the college premises, and promoting awareness about the importance of vaccination.

Key components of such a programme might include:

1. **Collaboration with Health Authorities:** Working with local health departments to secure vaccines and medical staff to administer them.
2. **Setting Up Vaccination Sites:** Utilizing college facilities to create accessible vaccination centers.
3. **Awareness Campaigns:** Educating the college community about the benefits and safety of COVID-19 vaccines through seminars, posters, social media, and other channels.
4. **Registration and Scheduling:** Organizing the registration process for vaccine recipients to ensure smooth and efficient vaccination drives.
5. **Follow-Up:** Providing information on the second dose (if applicable) and managing any post-vaccination queries or concerns.

## Event Report on 27.02.2023 General Health Checkup Camp

Venue & Time: Room no 24 & 11 a.m

Organized by: NSS unit Kanchrapra College in association with JNM Hospital, Kalyani

**Introduction:** The Health Check-up Camp held at [Venue Name] on [Date] aimed to provide comprehensive health screenings and promote health awareness within the community. Organized by [Organizing Committee/Organization Name], the camp offered free medical consultations and tests to participants to detect early signs of health issues and encourage proactive healthcare. The primary objective of the camp was to offer accessible healthcare services to individuals who may not have regular access to medical facilities. The event aimed to conduct basic health screenings, provide medical advice, and educate participants on preventive healthcare measures.

### Activities and Highlights:

- **Registration and Initial Assessment:** The event commenced with registration where participants provided their medical history and basic information. Initial assessments were conducted to determine the specific tests needed for each participant based on age, gender, and reported health concerns.
- **Comprehensive Health Screenings:** Qualified healthcare professionals, including doctors, nurses, and technicians, conducted comprehensive health screenings. This included measurements of vital signs (blood pressure, heart rate, etc.), blood tests (e.g., glucose levels, cholesterol), BMI calculations, and basic dental check-ups.
- **Medical Consultations:** Participants had the opportunity to consult with doctors and healthcare professionals regarding their health concerns. They received personalized advice on managing chronic conditions, improving lifestyle habits, and preventive measures.
- **Health Education Sessions:** Concurrently, educational sessions were conducted on various health topics such as nutrition, physical activity, stress management, and the importance of regular health check-ups. Participants were provided with informational pamphlets and brochures.

## Event Report on 28.02.2023 Eye Checkup Camp

Venue & Time: Room no 24 & 11 a.m

Organized by: NSS unit Kanchrapra College in association with Aasmi Eye Foundation

**Introduction:** The Eye Testing Check-up Camp held at Kanchrapara College on 28.08.2019 aimed to promote eye health awareness and provide free eye screening services to members of the community. Organized by [Organizing Committee/Organization Name], the camp sought to detect vision problems early and educate participants about maintaining good eye health. The primary objective of the camp was to offer free eye tests to identify common vision problems such as refractive errors, presbyopia, and other eye conditions. The event also aimed to raise awareness about the importance of regular eye check-ups for maintaining good vision and overall health.

### Activities and Highlights:

- **Registration and Initial Assessment:** The event began with registration where participants provided basic information. They underwent initial assessments to determine the type of eye tests needed based on their age and reported symptoms.
- **Comprehensive Eye Examinations:** Qualified optometrists and ophthalmologists conducted comprehensive eye examinations for each participant. Tests included visual acuity tests, refraction tests, intraocular pressure measurements, and examinations for common eye diseases.
- **Prescription Glasses Distribution:** Participants diagnosed with refractive errors were provided with prescription glasses free of charge, thanks to donations and support from sponsors and organizations.
- **Educational Workshops:** Concurrently, educational workshops were held to educate participants about common eye disorders, preventive measures, and lifestyle habits that promote good eye health. Information on proper eye care and hygiene was also emphasized.
- **Feedback and Support:** Participants expressed gratitude for the opportunity to receive free eye tests and glasses. Many indicated that they were unaware of their vision problems before the camp and appreciated the educational sessions provided.

## Event Report on Blood Donation Camp

Venue & Time: Room no 24 & 11 a.m Date :01.03.2023

Organized by: NSS unit Kanchrapara College in association with Medical College , Kalyani

The blood donation camp held at Kanchrapara College on 26.08.2019 was a resounding success, with overwhelming participation from both students and faculty members. Organized by NSS unit kanchrapara college the event aimed to contribute to the noble cause of saving lives through voluntary blood donations. The primary objective of the camp was to raise awareness about the importance of voluntary blood donation and to encourage members of the college community to contribute towards this life-saving initiative.

### Activities and Highlights:

- **Registration and Screening:** The event started with a smooth registration process where donors filled out consent forms and underwent preliminary health screenings to ensure their eligibility to donate blood.
- **Donation Process:** Qualified donors were guided to the donation area where they received attentive care from trained medical staff. The donation process was efficient, and each donor was given refreshments after donation to aid in their recovery.
- **Awareness Sessions:** Concurrent with the donation process, informational sessions were held to educate participants about blood donation, its impact on saving lives, and dispelling common myths and misconceptions.
- **Volunteer Participation:** Numerous volunteers from various student clubs and organizations actively participated in organizing and managing different aspects of the camp, ensuring its smooth operation.
- **Feedback and Support:** Participants expressed their satisfaction with the organization and management of the event. The medical team and volunteers received commendations for their professionalism and dedication.

## Event Report on Tree Plantation Programme

**Date:** 02.03.2023 **Venue:** Kanchrapara College Campus and surrounding areas

The NSS (National Service Scheme) Unit of Kanchrapara College organized a tree plantation program aimed at promoting environmental awareness and sustainability among students and the local community. Here are the key details and highlights of the event:

**Participants:** NSS volunteers, college students, faculty members, and local community members

**Objectives:** **i)** To increase green cover in and around the college campus. **ii)** To raise awareness about the importance of trees and environmental conservation. **iii)** To involve students in community service and instill a sense of responsibility towards nature.

**Activities:** **1. Inauguration Ceremony:** The event was inaugurated by the Principal of Kanchrapara College, along with other dignitaries. A brief speech highlighting the importance of tree plantation and environmental conservation was delivered. **2. Plantation Drive:** Various species of saplings, including fruit-bearing and native trees, were planted across the college campus and nearby areas. Volunteers were divided into groups, each assigned a specific area for planting. **3. Awareness Campaign:** Posters and banners emphasizing the benefits of trees and the need for afforestation were displayed. An interactive session on environmental protection was conducted, where experts shared insights and tips on how to contribute to a greener planet. **4. Maintenance Plan:** A schedule for the regular watering and maintenance of the planted saplings was established. Students and faculty members volunteered to take turns in ensuring the growth and care of the new plants.

**Impact:** **i)** The program successfully planted [specify number] saplings, contributing to the college's green initiative. **ii)** Enhanced awareness among students and the community about the critical role of trees in sustaining the environment. **iii)** Fostered a sense of teamwork and responsibility among participants.

**Future Plans** **i)** Regular follow-up programs to ensure the growth and health of the planted saplings. **ii)** Expansion of the tree plantation drive to other parts of the local community. **iii)** Continued efforts in organizing similar environmental activities and workshops.

The NSS Unit of Kanchrapara College continues to strive towards creating a greener and more sustainable environment, encouraging everyone to contribute to this noble cause.
