Seminar on Skill Development with ICICI Foundation

On 22nd October 2022, an online seminar on Skill Development was held in collaboration with the ICICI Foundation. The seminar focused on equipping students with essential skills to enhance their employability and career readiness.

The seminar began at 11:00 AM with a welcome address by the Head of the Department of Commerce. The Head emphasized the importance of skill development in today's rapidly changing professional landscape and encouraged students to take full advantage of the seminar. Tanusree Saha Mahanti, the expert resource person from the ICICI Foundation, provided an in-depth presentation on the importance of developing a broad set of skills to adapt to the evolving job market.

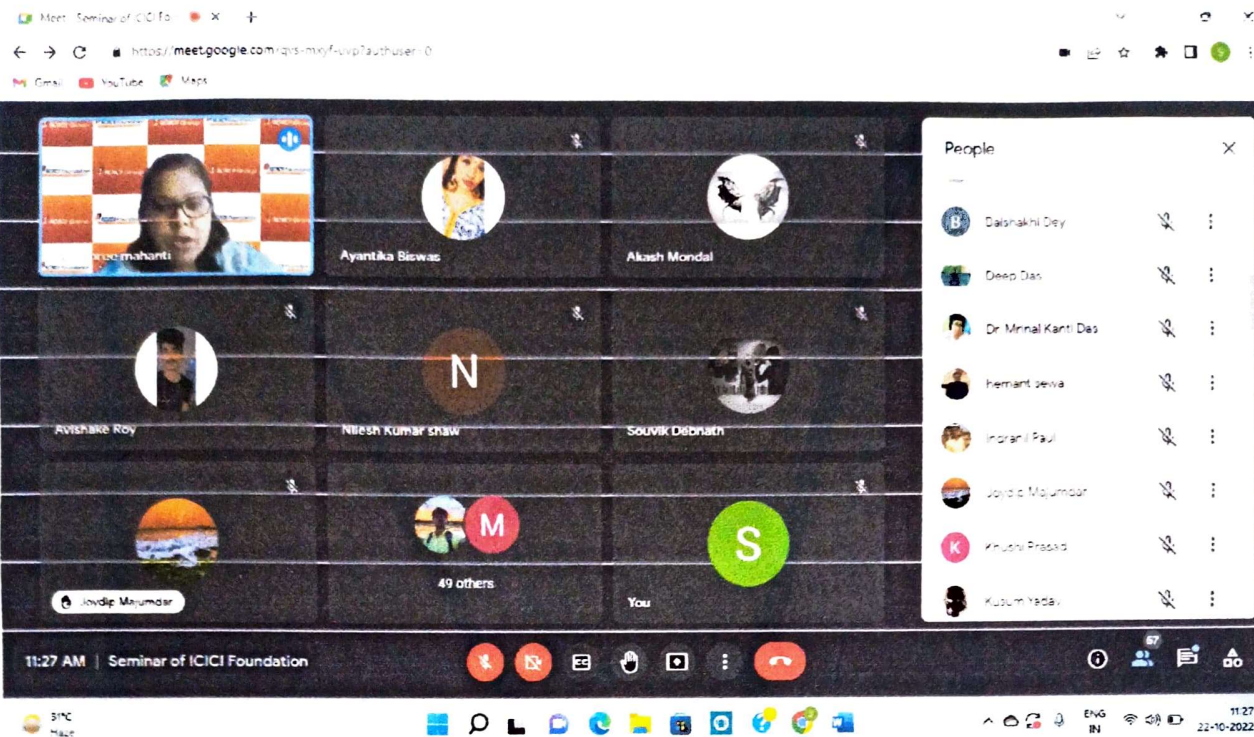

Key Highlights:

1. **Core Skills for Success:** Ms. Mahanti discussed the core skills necessary for professional success, including critical thinking, adaptability, and effective communication.
2. **Interactive Participation:** The seminar was structured to encourage student participation, with various activities and discussions that allowed students to share their perspectives and experiences.
3. **Practical Application:** The resource person shared practical tips and techniques for enhancing skills through daily activities and self-directed learning.
4. **Programs and Opportunities:** Information about skill development programs offered by the ICICI Foundation was presented, highlighting opportunities for students to further enhance their skills.

The participants found the seminar highly informative and engaging. The interactive elements were particularly appreciated, as they provided a platform for students to connect with the resource person and gain deeper insights into skill development.

The seminar concluded with a Q&A session, where students asked questions about specific skill development strategies and resources. The positive feedback and active participation indicated that the seminar was a valuable experience for the students, contributing to their overall personal and professional growth.
